U.S.D.J. 10/13/2022

Re: *United States v. Mark Reiter*, 87 Cr. 132 (VSB)

Dear Judge Broderick:

The Government respectfully submits this letter to request a one-week extension of the October 12, 2022 deadline set in the Court’s Order dated September 14, 2022, directing the Government “to provide any information it has, including but not limited to any 404(b) or enterprise letter, concerning Defendant’s involvement in the events alleged in *United States v. Stancell*, 95 Cr. 503 (N.D. Ga. 1996), including the murder of William Bright.” (Dkt. 499). The Government recently identified and retrieved four boxes of documents relating to the *Stancell* case from archives. The Government requests the additional time to continue its review of the contents of the boxes for relevant documents. Defense counsel consents to this request. In addition, defense counsel has advised the Government of defense counsel’s anticipated request for two weeks within which to file a response to the Government’s submission. The Government consents to this request. Accordingly, the parties respectfully request that the Court endorse the following schedule: (1) on or before October 19, 2022, the Government shall file its response to the Court’s Order dated September 14, 2022; (2) on or before November 2, 2022, the defendant shall file any response to the Government’s submission.

Respectfully submitted,

DAMIAN WILLIAMS
